

HETHWOODHOORAH

AUGUST 2020

News from the Director

JONATHAN STEELE

Hello Hethwood Community! I hope that everyone has continued to be safe and healthy during these challenging times. The entire Hethwood team misses being able to host events where we can come together as a community. While we know that we will be able to get back together in the future, it is tough right now not having events such as July 4th, kid's movie night, and senior luncheons. Despite this, the Huntsman Pool has been open this summer and our brand new fitness center has also opened for residents! We are glad that we are able to offer these two outstanding amenities this summer to the community.

I know that adjusting to change is not always easy, but thank you for your support as we have utilized the amenity booking system this summer. This system has helped us with following the guidelines set forth by federal, state, and local governments. If any additional changes have to be made to this system, then we will be sure to let everyone know as soon as possible.

Please join me in thanking our fantastic 2020 Hethwood Aquatics staff! They worked many hours to get the pool ready for the season and they continue to work to make sure that all the chairs, tables, and other touchable surfaces remain sanitized. The season would not be possible without their hard work. Also, please join me in thanking the Amenity Center staff! Their efforts have helped us open the fitness center and keep it operational this summer. We look forward to when we can open up more of the building and also the new pool. We will update the community as soon as possible when we are able expand the opening and when we have additional hours for the fitness center.

AMENITY HOURS

Huntsman Pool

Sunday-Saturday: 10am-7pm (with reservation)

Fitness Center

Sunday-Saturday: 8am-1pm & 2pm-6pm (with reservation)

For more information about the pool reservation system, please visit HethwoodFoundation.com.
