

HETHWOODHOORAH

DECEMBER 2020

News from the Director

JONATHAN STEELE

Hello Hethwood Community! Winter is (almost) here and we are at the end of a year like none other! I hope everyone has remained safe and healthy during the year. Despite the changes that we've all had to endure this year, I am pleased that Hethwood was able to provide a nice escape. We still had a very successful pool season, we were able to open our new fitness center, and we still have our beautiful grounds which allowed for many socially distanced activities. I was personally able to enjoy our walking trails and playgrounds with my family well into the Fall.

Thank you to everyone for being patient and working with us as we navigate this pandemic. I know that if we each do our part we can help flatten the curve and continue the process of returning back to normal. We need to be vigilant especially with colder weather on the horizon. Please continue to frequently wash your hands, practice social distancing and wearing your mask. We are all in this together!

Unfortunately we will not be able to have Santa visit the Huntsman this year so we have provided a link that kids of all ages can use so they can get their letters and messages to Santa.

<https://about.usps.com/holidaynews/letters-from-santa.htm>

If anyone has a message for Santa then please contact the Hethwood Foundation and we will make sure that he gets it before Christmas! We also will over a fun Kids Craft activity for families for the Holiday season.

Finally, I hope that you and your family have a very joyous Holiday Season! 2021 will be a fantastic year as we move to safely open our brand new Amenity Center and begin a number of capital projects on property. More information will be provided in the coming months. As always, please feel free to contact the Hethwood Foundation should you have any questions.

Kids Winter Craft

Interested in participating in our Kids Craft activity this month? Complete a short form on our website found under the "[News & Events Tab](#)" and we will deliver craft supplies to your home on Tuesday, December 15th. Supplies will be dropped off with no-contact at the door, out of an abundance of caution for COVID-19. The form must be completed no later than 5pm on Friday, December 11th in order to receive the craft supplies. Supplies are limited and will be distributed first come, first served.
