## News from the Director

JONATHAN STEELE

Hello and Happy Fall to everyone! It is hard to believe but 2021 is right around the corner. Despite this being an unprecedented time, I hope that you all have been able to spend some much needed time with your loved ones. Even if we cannot meet in person, I hope that you have been able to call, e-mail, or even have a Zoom meeting with your friends. Thanksgiving is on November 27th and that is the time to reflect of what you are thankful for this year. I personally am thankful for my wonderful family, my friends and being able to be able to service this community. Even though I am not having as many personal contacts with residents, I am still grateful that I am able to assist with making the best place to live in Blacksburg.

Since we are still practicing social distancing, most in person activities are still on hold. Kristina and I are still taking suggestions for virtual events so please send us any ideas and suggestions. We are working on some activities for the upcoming Holiday Season so please stay tuned!
